Permission/Conditions/Limitations	Colour	Meaning
Commercial use		The licensed material and derivatives may be used for commercial purposes.
Distribution		The licensed material may be distributed.
Modification		The licensed material may be modified.
Patent use		This license provides an express grant of patent rights from contributors.
		This license explicitly states that it does NOT grant any rights in the patents of contributors.
Private use		The licensed material may be used and modified in private.
Disclose source		Source code must be made available when the licensed material is distributed.
License and copyright notice		A copy of the license and copyright notice must be included with the licensed material.
		A copy of the license and copyright notice must be included with the licensed material in source form, but is not required for binaries.
Network use is distribution		Users who interact with the licensed material via network are given the right to receive a copy of the source code.
Same license		Modifications must be released under the same license when distributing the licensed material. In some cases a similar or related license may

		be used.
		Modifications of existing files must be released under the same license when distributing the licensed material. In some cases a similar or related license may be used.
		Modifications must be released under the same license when distributing the licensed material. In some cases a similar or related license may be used, or this condition may not apply to works that use the licensed material as a library.
State changes		Changes made to the licensed material must be documented.
Liability		This license includes a limitation of liability
Trademark use		This license explicitly states that it does NOT grant trademark rights, even though licenses without such a statement probably do not grant any implicit trademark rights.
Warranty		This license explicitly states that it does NOT provide any warranty.
